

Word Study for --- PRISED

A large, textured, light-colored object, possibly a piece of pottery or a seed, rests on a bed of green leaves. The object has a rough, cracked surface and is positioned in the lower center of the frame. The leaves are vibrant green with prominent veins and serrated edges, creating a dense, natural background. The lighting is bright, casting shadows and highlighting the textures of both the object and the foliage.

Zechariah 11:13 And the LORD said unto me, Cast it unto the potter: a goodly price that I was prised at of them. And I took the thirty pieces of silver, and cast them to the potter in the house of the LORD.
