

Word Study for --- STRIVEN

A close-up photograph of a dense field of pansies. The foreground is filled with bright yellow pansies, some with dark centers. To the right, there is a distinct patch of deep blue pansies. The background is a soft-focus continuation of the yellow flowers.

Jeremiah 50:24 I have laid a snare
for thee, and thou art also taken, O
Babylon, and thou wast not aware:
thou art found, and also caught,
because thou hast striven against
the LORD.
