

Word Study for --- TRADING

A photograph of a large body of water, likely a lake or reservoir, with a dense growth of green aquatic plants covering much of the surface. In the background, there are several small, dark structures that appear to be traditional floating gardens or reed beds. Beyond these, a range of mountains is visible under a clear blue sky. The overall scene is peaceful and suggests a rural or natural setting.

Luke 19:15 And it came to pass, that when he was returned, having received the kingdom, then he commanded these servants to be called unto him, to whom he had given the money, that he might know how much every man had gained by trading.
