

Word Study for --- TRANSPARENT

A close-up photograph of a lush floral arrangement. The composition is dominated by thick, gnarled, red-orange stems that twist and turn across the frame. Interspersed among these stems are various green plants, including a large, broad, dark green leaf with white speckles in the lower left, and several smaller, bright pink flowers with five petals. The background is a soft, out-of-focus grey, suggesting a wall or backdrop. The overall lighting is bright and even, highlighting the textures of the stems and leaves.

several gate was of one pearl: and
the street of the city was pure gold,
as it were transparent glass.
