A photograph of a waterfall cascading down a dark, mossy rock face. The water is white and turbulent as it falls and splashes at the bottom. The surrounding rocks are covered in green and brown moss.

Word Study for --- TRIUMPH

2nd Samuel 01:20 Tell it not in Gath, publish it not in the streets of Askelon; lest the daughters of the Philistines rejoice, lest the daughters of the uncircumcised triumph.

Psalms 106:47 Save us, O LORD our God, and gather us from among the heathen, to give thanks unto thy holy name, and to triumph in thy praise.

Psalms 108:09 Moab is my washpot;
over Edom will I cast out my shoe;
over Philistia will I triumph.

2nd Corinthians 02:14 Now thanks
be unto God, which always causeth
us to triumph in Christ, and
maketh manifest the savour of his
knowledge by us in every place.

A large, rugged mountain peak, likely Mount Blanc, is shown in the background. The mountain is covered in patches of snow and ice, particularly on its upper slopes and ridges. The foreground is shrouded in a thick mist or fog, obscuring the base of the mountain. The overall scene is dramatic and majestic, with the dark, cloudy sky providing a stark contrast to the bright, reflective surfaces of the snow and ice on the mountain.
