

Word Study for --- ADVISED

Proverbs 13:10 Only by pride
cometh contention: but with the
well advised is wisdom.

A large, layered rock formation, possibly a sea stack or a natural monument, stands prominently on a rocky shore. The rock has distinct horizontal layers of different colors, including shades of grey, brown, and tan. The foreground is a beach covered in small, dark rocks and pebbles. In the background, a dense line of evergreen trees is visible against a bright blue sky with scattered white clouds. The overall scene is a natural coastal landscape.

Acts 27:12 And because the haven
was not commodious to winter in,
the more part advised to depart
thence also, if by any means they
might attain to Phenice, and there
to winter; which is an haven of
Crete, and lieth toward the south
west and north west.
