

A close-up photograph of a dense cluster of flowers. In the foreground, there are many bright yellow flowers with five petals and a darker yellow center. Interspersed among these are several vibrant red flowers, also with five petals. The flowers are surrounded by lush green foliage, including large, rounded leaves and smaller, pointed ones. The background is slightly blurred, showing more of the same floral arrangement.

1st Kings 10:11 And the navy also of
Hiram, that brought gold from
Ophir, brought in from Ophir
great plenty of almug trees, and
precious stones.

1st Kings 10:12 And the king made
of the almug trees pillars for the
house of the LORD, and for the
king's house, harps also and
psalteries for singers: there came
no such almug trees, nor were seen
unto this day.
