

Word Study for --- BANKS

The background of the image is a close-up photograph of several bright pink flowers with dark brown centers, set against a backdrop of green foliage. The flowers are in various stages of bloom, with some fully open and others as buds. The lighting is soft, highlighting the delicate petals and the vibrant color of the blossoms.

Joshua 03:15 And as they that bare
the ark were come unto Jordan,
and the feet of the priests that
bare the ark were dipped in the
brim of the water, for Jordan
overfloweth all his banks all the
time of harvest,

A close-up photograph of several pink flowers with dark pink or red variegation on their petals. The flowers are in focus, with some showing the centers and stamens. The background is a soft, out-of-focus green, suggesting foliage.

Joshua 04:18 And it came to pass,
when the priests that bare the ark
of the covenant of the LORD were
come up out of the midst of Jordan,
and the soles of the priests' feet
were lifted up unto the dry land,
that the waters of Jordan returned
unto their place, and flowed over
all his banks, as they did before.

**1st Chronicles 12:15 These are they
that went over Jordan in the first
month, when it had overflowed all
his banks; and they put to flight all
them of the valleys, both toward
the east, and toward the west.**

[saiah 08:07 Now therefore, behold,
the Lord bringeth up upon them
the waters of the river, strong and
many, even the king of Assyria,
and all his glory: and he shall
come up over all his channels, and
go over all his banks:

Daniel 08:16 And I heard a man's
voice between the banks of Ulai,
which called, and said, Gabriel,
make this man to understand the
vision.

A serene sunset scene over a body of water. The sun is low on the horizon, creating a bright, golden glow that reflects on the water's surface. In the foreground, a dark, silhouetted shoreline is visible. A wooden pier or dock structure extends into the water, with several vertical posts and horizontal beams. The sky is a mix of dark blue and orange, with the sun's light creating a lens flare effect.
