A close-up photograph of a garden. The background is filled with long, slender green leaves, possibly from an iris. In the foreground, there are several bright red flowers with yellow centers, likely petunias, interspersed with green foliage. The lighting is bright, creating a high-contrast scene with deep shadows and bright highlights on the leaves and flowers.

2nd Chronicles 26:15 And he made
in Jerusalem engines, invented by
cunning men, to be on the towers
and upon the bulwarks, to shoot
arrows and great stones withal.
And his name spread far abroad;
for he was marvellously helped,
till he was strong.
