

# Word Study for --- TATTLERS

A close-up photograph of several vibrant red flowers, likely gerberas, with multiple layers of petals. The flowers are in sharp focus, showing the texture of the petals and the central stamens. The background is blurred, showing more of the same flowers and some green foliage. The lighting is warm, highlighting the rich red color of the blooms.

1st Timothy 05:13 And withal they  
learn to be idle, wandering about  
from house to house; and not only  
idle, but tattlers also and  
busybodies, speaking things  
which they ought not.
